

# Activities and Projects

ICSTI supports multilateral programmes and projects involving national partners from member and non-member states, such as:

- ✓ "National Information Resources", on-line data base, featuring 3,000 records on information resources in 16 countries;
- ✓ "Quality of human habitat", on-line meta-data base containing data on 1,000 environmental information centers from 10 countries;
- ✓ "Scientific and Technical Information in CEEC", annual workshop organized on a regular basis for the past 16 years in conjunction with the Ministry of Education and Science of Poland;
- ✓ Operation of a Training Centre and promotion of S&T data bases of STN International in RF & CIS;
- ✓ Analytical study of electronic services and information markets in 22 countries of CEEC and CIS in co-operation with FhG (Germany) within ESPRIT Project № 977062 EIS-CCE/NIS (Establishment of Electronic Information Services in CCE/NIS).

Within the framework of co-operation agreements with international organizations, e.g. UNEP, UNIDO, UNESCO, IAEA, EC, NATO Scientific Committee, etc.—ICSTI carries out regional activities and organizes events serving the needs of its member states and partners, which include but are not limited to the following:

- ✓ Development of data bases and information tools (thesauri);
- ✓ Publication and distribution of newsletters, bulletins and other information materials;
- ✓ Capacity-building;
- ✓ Organization of regional meetings, workshops, etc.
